Reference: The abolition of the seat of Gwydir & changes to the seat of Paterson.

Dear Sir- Ms

Re the Australian Electoral Commission {AEC} proposal to change the boundaries for the NSW seat of Patterson, and also proposed to completely abolish the seat of Gwydir, and merge with the seat of Parkes. This would mean the loss of a rural seat in the Australian Parliament and the establishment of a mega seat covering 379,474 square Kilometres i.e. 47% of the state.

As a member of the Nationals and the coalition I find the above two proposals unacceptable to the rural regional communities of NSW.

Yours Truly,
