Dear Sir

Warren Shire Council, on behalf of the Warren community, wishes to strongly object to the loss of the Division of Gwydir and its amalgamation with the Division of Parkes.

The proposed Division of Parkes becomes unsustainable and unworkable for both the constituents and the member.

Council's objections are on the following grounds:

- Loss of another country seat
- Ability of MP to fairly represent such a large area
- Many different community of interests
- Area of division 47% of New South Wales
- 17 Local Government Areas to represent
- Difficulty for constituents to access MP.

Yours faithfully

NRF (Rex) Wilson
Mayor
