Dear Sir,

I am writing to express strong feelings against the proposed abolition of the Federal seat of Gwydir. To dump all the people of this electorate in with other joining electorates is not fair! We deserve proper representation by a member who has a manageable sized electorate.

How can one person be expected to fairly cover 47% of the state? How can people living in one end of the proposed 'super seat' of Parkes travel to access their member or his staff?

Please reconsider your proposal, listen to the people of Gwydir and regional NSW and act to ensure that we have the fair and proper representation we deserve!

Yours faithfully

Cynthia Bruce. (CYNTHIA BRUCE)
