Dear Sirs

**Reference: AEC's Proposed Redistribution of the Federal Gwydir Shire seat to Parkes Shire**

We refer to the AEC's proposed redistribution of the Federal parliamentary seat for the Gwydir Shire to the Parkes Shire.

Namoi Cotton as a major employer and contributor to the Gwydir region does not support the above redistribution proposed by the AEC's Redistribution Centre.

Geographically the distance between Parkes and Moree is far to great to enable effective representation between the two diverse regions.

We strongly request that the AEC reconsider the proposal, as the proposed change will not achieve the necessary representation from the Gwydir region. The Gwydir, in particular Moree being a major agricultural hub for Australia requires its own representation at the federal level.

Kind Regards
