Dear Sir

I strongly object to the proposed demolition of the seat of Gwydir and the merging of this electorate into the seat of Parkes.

The new seat of Parkes would cover 47 per cent of NSW - bigger than Japan or Germany and would cause Country people to drive hours and hours to see their MP.

Estimated growth rates in Parkes & Gwydir are not the lowest growth rates, so creating one huge electorate would reduce the voice of Country folk in the Federal Parliament.

Yours faithfully,

Christina Seale.
