Dear Sir

Re: Federal Electoral Redistribution

I am strongly opposed to the proposal to abolish the seat of Gwydir and merge with the electorate of Parkes. This would be a HUGE area for one person to cover and in having to do so much everyone would be disadvantaged in both of the now current seats. This is surely more work than one person is able to handle.

It would be mean greater distances to cover for everyone involved if we need to speak with our MP. We the country people are entitled to a voice in parliament.

I am strongly opposed to this and hope a there will be a positive outcome.

Regards
