Dear Sir

### REFERENCE NSW REDISTRIBUTION OF SEATS

In your draft boundaries NSW redistribution, you plan to abolish Gwydir and merge it with Parkes. This would mean the loss of a rural seat in PARLIAMENT and make a seat occupying about the State. May I suggest you leave this alone and abolish a seat in the Sydney Electorate. Your suggested new seat of Parkes / Gwydir Would be about five times the size of Tasmania.

The creation of a huge electorate would effectively reduce the say of the Country people. This is not at all fair.. The National Party is in favour of the retention of existing boundaries in the country. The great dividing range would act as a natural dividing line.

I trust you understand what I am getting at.

Yours faithfully
