The Electoral Commissioner,  
Mrs. Campbell.  
P.O. Box. 6172.  
Kingston A.C.T., 2604.

Dear Sir,

When we heard about the intended electorate boundary changes we were astounded to think that "just another thing" would come to make life harder for country people.

We are very concerned about it and would most definitely object to such a move.

Yours faithfully,  
Mrs. & Mrs. M.C. Hunter.
