Dear Sirs,

We wish to register our strong protest regarding the intention of cancelling the Electorate of Gwydir, by your Committee, for the next Election.

How one person could possibly give full representation for an area consisting of 47% of the State, is beyond belief. That is if the elected Member is to be 100% genuine and do the job correctly.

We urge you not to take this course of action.

Yours faithfully,

John M. Fearnley - Patricia C. Fearnley.

JOHN. M. FEARNLEY and PATRICIA C. FEARNLEY.
