Dear Sir,

Electoral Boundaries-- NSW--2006

We are very concerned with the proposed changes for the following reasons:

The proposed electorate of Parkes would be in area, 47 per cent of NSW--- making it very difficult for constituents to see their member re issues of concern to them, where as a constituent in a City Electorate is within minutes of their Electorate Office.

Furthermore, Communities of Interest must be taken into account. Rural people must be given a fair go.

Please do not eliminate any country Electorates!!

Yours Faithfully,
Ken Drury.
