Dear Committee

Re: Loss of Cwydir Electorate seat.

As Australia Citizens and voters who live in the regional seat of Cwydir we are 'very disappointed' to hear that our federal seat is being considered to be amalgamated with the seat of Parkes.

This is not just ~~to~~ a loss to us (the Cwydir electorate) but a major loss to ALL regional Australians

As regional Australia continues to be pushed aside and forgotten about by our metropolitan friends / cousins / family, more and more services are removed from the bush.

I can hardly now believe that we are even going to lose our say in the way the country is run (albiet a very small say).

We suggest that you amalgamate a couple of 'metro' seats.

Anna Castleden.
