RE: ABOLITION OF THE FEDERAL SEAT OF GWYDIR

Dear Sir

As a voter in the electorate of Gwydir I wish to register my objection to the proposed abolition of the seat Gwydir.

The new area proposed to cover the seat of Parkes will make it near impossible for one Member to service all the constituents in such a large area. A sitting Member would have to cover 47% of the state of NSW.

Gwydir as a Federal seat has existed since 1901 and is one of the few regional seats left and we need good country representation by our local Member

Please note my strong objection to this proposal

Yours Faithfully
