Dear members.

I am writing to voice my strong opposition to abolish the Federal Seat of Gwydir. I know I am not alone feeling with dismay that this proposition is an attack on <sup>our</sup> level of representation as residents of regional Australia.

One feels as if our concerns will be over looked as it would be incredibly hard for a single member to properly service this vast area. & we all wonder if there is a certain reason for this to happen. & are we being manipulated?

Again my opposition & I'm sure 1,000's more from all political parties.

Yours Sincerely.

Judith Baker.

Ps. One wonders who we can trust !!!
