Redistribution Committee of N.S.W.

Dear Sirs Re - ABOLISHING GUYDIR

As the committee re-organises  
Boundaries, I would be very  
grateful if you would re-consider  
abolishing the seat of Guydir,  
and <sup>as you have been</sup> enlarging the seat of Parkes  
to gigantic proportions

Therefore, in the interests of  
the Rural community, please  
return the seat of Guydir to  
the people and keep Parkes in  
proportion -

I am elderly, so please excuse  
the writing, but I am sincere  
to see this adjusted to the people's  
(dissatisfaction).

Sincerely  
(Mrs) J. Bailey
