Redistribution Committee for N S W

P O Box 20014
World Square
N S W 2002

Dear Sirs,

I am writing on behalf of the Moree Plains Lions Club to protest at the proposed redistribution of the Electorate of Gwydir.

The redistribution of Gwydir would result in us being in an electorate which comprises 43% of the State of N S W. Such a large area would make it extremely hard for the New Member to be readily available to his constituents. To lose this seat would be a huge loss to the constituents in the area, as our voice would not be heard. We have a great diversity of Industries in this 43% of the state and they will not be adequately represented.

It will create an unbalance of seats in Parliament and abolish another seat in the Country areas. We in the country need more voices in Parliament not less, if the areas of country N S W are ever to develop to reach their potential.

I on behalf of the Moree Plains Lions Club and its Members I urge you to please re consider the redistribution of the Electorate of Gwydir and the fact that it will cause further erosion of our Political Representation in this area.

Yours Sincerely,

President Moree Plains Lions Club
