Dear Sir

I wish to request you do not remove GUYDIR electorate

As one of the people more distant from town I realise that already it is almost an impossibility for one man to serve such a big area and the area of the proposed PARKE'S quite impossible. Increased travelling costs would render the electors would not be able to contact the member and would certainly not never know him/her.

The historical point of eliminating one of the

electorates designated in the  
constitution seems regrettable  
having been a city  
elector I am very aware of  
the difference in campaigning with  
the member in an area the  
size of Gwynedd let alone a  
bigger area

Yours sincerely

R. F. F. F. OAM, BVSc
