Dear Sirs,

I strongly object to the proposed redistribution of Federal Electoral Boundaries in NSW, published in The Murrumbidgee Independent on Thursday 6th July, 2006, with the elimination of the Federal seat of Guyra, & its amalgamation with the seat of Parkes.

Guyra should be retained as it is one of the oldest seats in the Federal Parliament, being a Federation seat & part of history.

The proposed new seat covers such a huge area of NSW, it would be virtually impossible for the member to adequately represent all the electors. It will virtually disfranchise many electors.

In recent months, there has been a surge of new building & mining activity, resulting in new people moving into the area.

Yours faithfully,
Cicely F. Maxwell
