Dear Sir

Please let me register my disgust at the proposal to abolish the seat of Gwydir.

It is difficult at the best of times to cope with the many kilometres of travel required now to attend functions where we can, hopefully, get the ear of the Member.

Your proposal will succeed in making it impossible for people in this part of the bush to enjoy the level of access to our elected representative that people east of the Divide accept as their right.

Please give some thought to the alternatives available to you as outlined by the Member for Gwydir, John Anderson, and give us back our confidence in democracy.

May you be wisely guided in your deliberations.

Yours faithfully
EJ & MA Sullivan
