R.K.Saunders Bruie – Plains Trundle 2875 27-07-2006
Redistribution Committee of NSW

I wish to register my, & my family's total opposition to the proposed electoral boundary changes for the seat of Parkes.

To even contemplate the abolition of the Gwydir electorate & merge the Gwydir & Parkes electorates into one is nothing short of

lunacy. It is tantamount to saying the people of this combined new electorate will have no representation in Government whatsoever.

Sanity must prevail, & this proposal must be overturned.

Yours Sincerely

R.K.Saunders
