Sir,
I wish to strongly object to the abolition of the seat of Gwydir in the proposed redistribution of Federal Electoral Boundaries in NSW.

It is absurd that one person can adequately serve the needs of an electorate that covers about 48% of the area of NSW.

The electorate known as Gwydir would be severely disadvantaged - with growth and economy experiencing a surge, surely the close attention of a local member is required to keep this momentum going?

Please reconsider this proposal and maintain the electorate of Gwydir in its present form.

Yours sincerely
Rosemary Constable
