Dear Sir, *Committee for NSW Redistribution*

I wish to object most strongly to the abolition of the seat of Gwydir in the proposed redistribution of Federal Electoral boundaries in New South Wales. I feel that the area now known as Gwydir would be greatly disadvantaged under this proposal as one person cannot serve the needs of an electorate that covers 48% of New South Wales however good their intentions. The Gwydir electorate contains some of the most productive country in NSW and the towns in the area are experiencing a surge in growth and economy. We need the close attention of a local member to keep this momentum going. Country people need to be fairly represented and need access to their local member. Please reconsider this proposal and maintain the electorate of Gwydir in its present form.

Yours sincerely,

Denise Murray
