THE REDISTRIBUTION COMMITTEE
FOR N.S.W.

Dear Sirs

I protest most strongly at the proposed abolishment of the seat of GWYDIR. It is an unreal situation to expect any person to cover the area you have outlined .

There are times when we need to speak to the member personally but it will not be possible as no human being could cover such an area and be regally in our town .Some residents will be several hours away from any town so what hope have they .

Why is some of the city electorates not carved up the have only a short distance from each electorate . No just carve up the country area our voice is in the wilderness and we are discriminated against.

Do the right thing by the country people and reverse this decision.
