Dear Sir,

I'm a national Party member and I'm writing to you in regards to the changing of the electoral Boundaries.

I believe if you amalgamate the two electorates of Gwydir and Parkes would be a very bad move for the people in the country areas. The area proposed is just to big for the sitting member can handle for the size of it. you should be considering amalgagating electorate in the Bigget cities because of the distance our Politicans have to Travel.

I hope your committee will consider the change

Yours Sincerely
David Fletcher
