Dear Sir/Madam,

Please note that the Executive and Members of the above branch of C.W.A. of N.S.W. most strongly object to the proposed abolishment of the Gwydir electorate. We cannot understand and why your committee thinks that we will get a fair representation from our new Federal member irrespective of what party gets in as it would be impossible to treat all concerns for an area covering 47% of the state. This is simply ludicrous and we demand that this decision be reversed as part of our democratic rights to be fairly represented in Federal Parliament and the Federal Electoral Commission should not be allowed to take away these rights. We trust you will take note and act on our concerns.

Yours faithfully,
J. K. Riordan
Hon. Sec.
