NSW 2002.

Dear Sir or Madam:

I object to the proposed redistribution of the seat of Gwydir.

We live in the area at Coonabarabran NSW and I feel that the proposed area would be too big and difficult for any one person to adequately service as a representative.

The incumbent member has found, over the past years, that it is currently a very large area to service and making it bigger would serve no useful purpose.

Rural people feel that they are being discriminated against in this proposal and suggest that if a seat is to be lost then it should be one of the metropolitan ones.

Sincerely,

H.L.Roach.
