Dear Sir/Madam,

RE : REDISTRIBUTION – PROPOSED ABOLISHMENT OF GWYDIR SEAT

I wish to object to the proposed draft for the NSW redistribution of boundaries, which includes abolishment of the seat of Gwydir and the merger of the electorate into the seat of Parkes.

I think it is ridiculous to imagine that one Member of Parliament could possibly provide fair and equitable representation to each of the 19 local government areas included in the proposed seat of Parkes.

To be fair, why not reduce the number of seats overall and therefore give all members the same opportunity to spend more time travelling in their new enlarged constituency.

Regards,

Peter Lubans
