Redistribution Committee N.S.W.  
Aust. Electoral Commission

Dear Sir/madam,

I wish to protest in the strongest possible terms in relation to the proposed amalgamation of the Parker + Swydia electorates.

This move appears to be an absolutely disgraceful decision for a number of reasons, but principally in relation to the Communities of Interest issue.

Both electorates are at present hardly manageable by the respective members and it is mind boggling to think that combining the two would do other than grossly disadvantage both.

I hope that sane minds will prevail.

Yours faithfully

R. E. Field
