N.S.W. 2386

Dear Sir,

I wish to object unequivocally to the abolition of the seat of Gwydir in the proposed redistribution of Federal electoral boundaries in N.S.W.

How can one person adequately serve the needs of an electorate that covers 46% of the area of N.S.W.?

I feel that the former area known as Gwydir would be greatly disadvantaged under this proposal.

The Gwydir electorate contains some of the most productive counties in N.S.W., the towns in the area are experiencing a surge in growth & economy. It is most important in this situation that we have the close attention of a local member to keep this momentum going.

It is paramount that this proposal is reconsidered & the electorate of Gwydir is maintained in its present form.

Yours Sincerely

Philipp & Elizabeth Powell
