Dear Sir/Madam,

I am writing to object to the loss of Gunnedah into an electorate of 379,474 Square Km. That represents 47% of the State of N.S.W.

How can anyone member given this area at a senior level in Government possibly represent the voters which two members used to cover.

I urge you to reconsider this federal electoral redistribution as this is a loss of representation for boundary regional areas.

Yours faithfully,

Jeanne Fennie
