Subject Proposed boundry changes moving Lithgow out of
Calare to the Blue Mountains

Classification Unclassified

I wish to voice my strong opposition to the above proposal. I like most people currently in Calare can see no good reason for the change. We as voters should be given the same opportunities in elections to make a choice. We should be able to vote on any changes. To force this on us is a gross violation of our rights and liberties.

I request a rethink on this issue.

thank you
