Dear Sir,

I wish to object most strongly to the proposed amalgamation of the seat of Gwydir as part of the redistribution of the Federal Electoral boundaries in New South Wales.

It is outrageous to expect that one person could adequately serve the needs of an electorate that covers one-third of the area of New South Wales.

I believe that the electorate of Gwydir would be greatly disadvantaged under this proposal. This electorate contains some of the most productive country in NSW and the towns in the area are experiencing a surge in growth and economy. In a situation such as this we need, more than ever, the close attention of a local member to keep this momentum going.

I beseech you to reconsider this proposal, and maintain the electorate of Gwydir in its present form.

Yours sincerely,
