Dear Sir

On behalf of the staff, residents and board of management of Coinda Coonabarabran Limited (Aged Care Complex) I wish to register our concerns re the abolition of the seat of Gwydir in the proposed redistribution.

We object strongly to the proposal and fail to see how one person could adequately serve the needs of an electorate covering 48% of the area of N.S.W.

As residents of the electorate known formerly as Gwydir we will be greatly disadvantaged under this proposal.

The aged care complex has been well cared for by the member for Gwydir, the Hon. John Anderson and he has represented us on various matters. We do not envisage that this level of involvement or care will be possible with such a huge electorate.

The Gwydir electorate contains some of the most productive country in NSW and the towns in the area are experiencing a surge in growth and economy. In a situation such as this we need more than ever, the close attention of a local member to keep this momentum going.

I beseech you to reconsider this proposal, and maintain the electorate of Gwydir in its present form.

Yours faithfully

Susan Delatorre
