Dear Sir,

I wish to protest against the proposal to establish the seat of Parks at the expense of the abolition of Gwydir.

Parks encompasses almost half the size of NSW, and one person could not possibly cope with the physical and mental strain of representing such a huge area.

---

~~There are little enough services in Gwydir at the present without the area being enlarged. If the Gwydir is to make a comeback after the drought it needs more services, not less, which will be the result if the Parks proposal goes ahead.~~

Gwydir would lose representation from 2 members to 1, and the coastal areas would have 45 seats as against 4 in the west. Electoral divisions cannot cross state boundaries.

Please consider these points as you make your decision.

Yours sincerely,

Vicki Poyser.
