The Aust. Electoral Commission
The Chairman

Dear Sir,

I am writing to ask you to re-consider the idea that the seat of Gympie be abolished. This has been a very long established electoral seat & recognised as representing a particular land type area.

The proposed area is so large as to make it impossible for electors to get proper member attention.

Sydney has & is having huge growth but that's no excuse for making it more difficult for rural voters to get decent representation, which the size, land use, of proposed Parkes would cause.

Sydney has many seats that are only minutes apart. Some of the proposed Parkes electorate are nearly days away.

Yours Faithfully

W. Hillis
