N.S.W. 2386

DEAR SIR.

WE wish to object most strongly to the Abolition of the seat of Gwydir in the proposed Redistribution of Federal Electoral boundaries in N.S.W.

It is ridiculous to propose that one person could adequately serve the needs of an electorate that covers 48% of the AREA of N.S.W.

The former area known as Gwydir would be greatly disadvantaged under this proposal. Gwydir contains some of the most productive country in N.S.W with coal mining & Farming Big contributors.

Our services are diminishing daily & the people of this electorate need good representation which would be impossible with the size of this proposal.

Please reconsider this proposal & maintain Gwydir in its present form

Yours Sincerely.

SAM & Kim Powell
