Australian Electoral Commission  
Redistribution Committee for N.S.W.

Dear Sir/Madam,

Sorry but I must add my grievances to this ridiculous proposal! The electorates of Parkes & Gaydir were impossible to represent, prior to any change, let alone afterwards. How can anyone do justice to an electorate larger in size than Germany! This is preposterous & shows the usual crazy bureaucracy at work, sitting in multi-storey offices, worlds away in Sydney! The Country of N.S.W. will lose out again by losing a seat! Why can't Sydney amalgamate two of its seats, if one must go to Queensland, rather than the poor country of N.S.W.?

Also, with fuel prices sky-rocketing, how can anyone travel those vast distances to attend meetings & represent the constituents? Not fair to them or their representatives!!

Yours faithfully, Jan Glasson
