The A.F.C.

Dear Sir, Ms,

I am a farmer in the
 Gwyder electorate which is
 based principally in Gunnedah
 none at Wellington. We
 have absolutely no affinity
 or community of interest with
 that area of the state.

Rather, our interests
 are with the Dubbo region
 and I believe our federal
 electorate should be based
 around the Orange area.

I thank you for this
 opportunity to comment.

Yours faithfully
 David Baird
