Worlds Square,

Dear Sir,

I am writing in protest about the seat of Riverina being amalgamated it is quite a large area now what are you joining it to Lyndagar, that would be really clever.

Mrs Hull knows what goes on in this area imagine the travelling if it was made larger.

If you need a seat go & take one from Sydney they've got them everywhere & they don't have to travel far.

Regards
Mrs J. Melyneon
