Dear Sir/MADAM

I am writing to you in
reference of the redistribution of boundaries
as a resident of Rosemeadow for 10 years and
I am very happy with boundaries I am in, I feel
that by changing boundaries the people will
be confused as the candidate we have is well
known to the voters and would like it to stay
as is, our candidate Mr GUFF CORRIGAN is well
known to us in particular the senior people in
our Electoral, why not make Woodliff a part
of SOUTHERN HIGHLAND, as this is closer than our
Electoral which is part of Camden and Campbelltown.
So please stop all this confusion and leave us
as we are, with CAMDEN AND CAMPBELLTOWN as
we know our CANDIDATE and we are happy
with the job they are doing for us and
OUR COMMUNITY,

Please DO NOT REDISTRIBUTE our BOUNDRIES

MANY THANKS

Sincerely yours
Anthony Walker
