Redistribution Committee for Queensland

Dear Convenor

We write as residents of Stafford in the Brisbane electorate to register our very strong objection to the proposal to move our area to the electorate of Petrie in the current redistribution.

The suburb of Stafford is part of what is now the electorate of Brisbane and should remain so as we understand that the boundaries are drawn based on a community of interest.

We do not identify with the outer regions of Brisbane and are not part of the Petrie electorate community. Our services, community activities and transport focus on the area between here and the Brisbane River. In fact, we can see the CBD from our house.

Yours sincerely

Gwilym and Annette Jones
