**Subject: Proposed seat of Wright (AEC Objection No 47 [www.aec.gov.au](http://www.aec.gov.au))**

Dear committee members

Board members and I have reviewed the submissions objecting to the draft AEC proposals and have noted that a significant number of submissions support the concept of the central western shires being located in proposed Maranoa and not proposed Wright.

The RAPAD Board strongly recommend that the QRC act on the submissions and transfer the Shires of Longreach, Winton, Aramac, Ilfracombe, Barcaldine, Blackall, Tambo, and Isisford to the inland seat of Maranoa from proposed Wright for the reasons expressed in our submission.

Further also to our submission Board members extend an invitation to the Chair and or Redistribution Committee members to visit the Central West and speak to Board and other community members on this matter. I look forward to your response on this.

If you have any further enquiries please do not hesitate to call me on 46583301 or alternatively our Board Chairman, Cr Gary Peoples on 46513311.

Yours Sincerely

David Arnold  
Manager
