Dear Sir/Madam

OBJECTION TO FEDERAL ELECTORAL REDISTRIBUTION

Please be advised that Council resolved the following at its July 12, 2006 General Meeting:

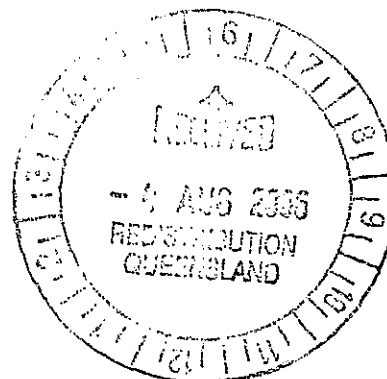

That Council lodge an objection with the Australian Electoral Commission regarding the new Federal electoral boundary of Wright, based on the large geographical size of the electorate, which Council considers will compromise the representation level of many shires and their constituents.

Should you have any concerns please contact myself on 4161 1377.

Yours faithfully

Scott Mason
CHIEF EXECUTIVE OFFICER
