Dear Sir,

I am a retired rural producer on a cattle station south of Mackay, and now living at Emu Park, Central Queensland.

I am strongly against the name "WRIGHT" for the new federal electorate, because our former Capricornia federal parliamentarian KEITH WRIGHT who has been serving time in prison!!!
Isn't that lay enough.

Three quarters of the people of Queensland would not know who Judith White was.

After you receive all your complaints by 21st July 06. I would appreciate you let me know the outcome.

I am,

Yours sincerely,

William D. Lawless.
