Dear Sir,

re. Electoral Reshuffle

As an ex-State Returning Officer in N.S.W. I have read with disbelief the proposal to disenfranchise Central Western Shires which have no affiliation with Gladstone or other Shires.

This ignores the Commonwealth Electoral Act of 'Community Interest' viz 'economic, social and regional interests' and 'shared means of travel'.

What intrigues me and others that I have discussed this redistribution with, is that we in western Queensland are continually informed of the increase in population in coastal Queensland so we consider that a new electorate should be formed in that area.

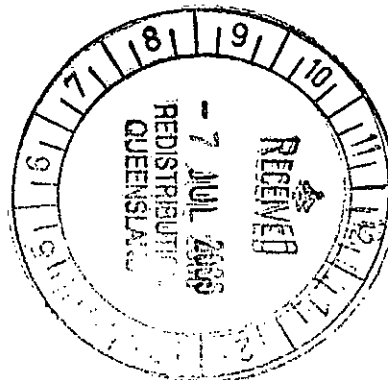

I object strongly to this proposed re-distribution.

Yours Faithfully,

*H. S. Kitching*
