**Proposed Boundary Re-Distribution**

Dear Sir/Madam,

We noted with complete shock the proposal to include the suburb of Parkinson into the Oxley electorate. It was our understanding that one of the criteria required by law, to be considered by the AEC when reviewing electoral boundaries, was the principle of "community of interest".

We do not believe that the people of Parkinson, Algester and Calamvale have community interest with those of Inala and Ipswich and we seek your basis for considering that these areas have a community of interest.

As we do not believe that the re distribution of the boundaries is in the best interest of the community and wish to lodge our formal objection to the proposed re distribution.

Yours sincerely

David Smith
