Subject Winton Shire in new Federal seat of Wright

Classification Unclassified

Sir/Madam,

We draw your attention to the proposed inclusion of Winton Shire in the new Federal seat of Wright:

We strongly object to this proposal on the following grounds:

The Winton Shire and its people have no community of interest with Gladstone or other major cities on the coastal boundary of this new seat.

There has been no community consultation.

This will be the 4th time in 10 years that our shire has changed Federal seats which clearly illustrates that no consideration has been given to the people who live in the shire of Winton.

If Winton is included in Wright it will be even more difficult for the Federal member to represent the constituents, due to the size of the seat, and disparate nature of the communities within the new seat.
