Dear Sir,

In regard to the redistribution to take place in the electorate of Wide Bay –

Maryborough and Hervey Bay have always had close ties, even after Hervey Bay became a separate Shire, they then as now shared many things - Maryborough Sailing Club has its club house in Hervey Bay, we share many facilities in regard to Hospitals and many cultural events. Most of the Clubs in both cities have members from both cities because of the close proximity, as our organisation does.

We feel that to separate Hervey Bay from Wide Bay and Maryborough is a backward step. We have really nothing to do with Bundaberg, (the same as Noosa has really nothing to do with Wide Bay & should remain in Sunshine Coast).

We would like you to take a further look at the redistribution, splitting a community such as Maryborough and Hervey Bay is not good, some more thought should go into this, it is too big a decision to get wrong and it is at the moment.

Please reconsider this.
