Subject Fairfax Redistribution

Classification Unclassified

To whom it will concern,
Dear Sir/Madam,

As a resident in the Noosa Shire and as a consequence in the federal seat of Fairfax I must object strongly to the proposal to excise Noosa from Fairfax and include it in the Wide Bay electorate.

Such a fallacious exercise would see Noosa bereft of a satisfactory federal representation. It makes no sense in any respect no matter how population numbers are juggled to fit an arbitrary statutory requirement. The Sunshine Coast from Caloundra to Noosa is Fairfax so let it remain so.

As one who is a swing voter at any election I can guarantee you the incumbent Liberal party will not receive my endorsement on the voting paper at the next federal election should this redistribution proceed.

Yours sincerely,
W.H. Lackey
