Dear Committee Members

Please find attached a petition from the Algester Mosque regarding the proposed redistribution of the federal seat of Moreton.

I would ask that as these names were collected at a place of worship that if it is possible the names on the petition be suppressed. In the past following acts of deplorable terrorism, some of our members and mosques, such as Kuraby, have been targets of attacks. As these are our homes, we request the suppression to keep them as safe as possible. Thank you for your understanding on this sensitive matter.

Yours sincerely

Mohammad Hussein

To the AEC Electoral Review Committee:

We, the undersigned, being concerned citizens of the state of Queensland, urge the Committee to allow the suburbs of Algester, Parkinson and Calamvale East, and the CCDs contained within, to remain as part of the electoral division of Moreton and that they not be relocated to within the boundaries of the division of Oxley.

These suburbs have no common links with the areas currently contained within Oxley. Due to physical barriers, we would need to drive through the electorate of Moreton to get to Oxley. Our children go to schools in this local area, we shop in this local area and our community is this local area, including the suburbs of Calamvale, Stretton and Sunnybank Hills. We urge the Committee to consider the requirements of the Act and keep these communities together when reviewing their proposal.

This petition was signed by ninety – six persons
