Redistribution Committee
for Qld.

OBJECTION

N=26

Dear Sir/ma'am,

I am writing to object to the changes to the electoral boundaries - it is beyond belief that Gladstone and far western Qld - Winton can have any common object was - the member could not possibly cover such an area. Also how could 'Wright' be a suitable name. in this area that name means a convicted pedophile to most people.

Yours faithfully,
C. Kettle.
